| Sail area (M2)    | 40                   | 56    | 62    | 53    | 63        | 77       | 68        | 86     |

\*) FG33 and FG37 design Håkan Södergren

NB. As we have built over 700 boats to date, some of them customized, measurements such as sail area and draft may vary from the measurements in the table.
